## About Us

**LUNIX PHARMA** was established in 2019 with its headquarters located in United States of America and United Arab Emirates as a research and technology Company, under the leadership of eminent scientific personalities from Science and Pharma industry.

Our vision is to offer innovative nutritional and pharmaceutical health solutions for specific health concerns taking Indian nutritional & Pharma solutions to the world as well as to offer niche US & European solutions to the emerging markets.

We offer quality supplements & medicines across Asian, African & Latin American Emerging Markets, progressive establishing its US and Indian facilities.

We keep moving forward, opening new doors, and doing new things, because we're curious and curiosity keeps leading us down new paths. We are on global expansion at faster pace in 16+ countries in operation.

We are poised to be a 100 million USD company by 2030
